I look forward to participating in LT's Golf Marathon supporting CVI's capital campaign to expand its permanent housing and program initiatives for Veterans and their families and hereby commit to, and acknowledge the following:

- To participate, I promise to raise $500 through individual pledges and/or sponsorships.
- If I cannot raise $500 in pledges/sponsorships, I will personally donate the difference.
- I will inform all donors that pledges and sponsorships made to CVI are tax deductible.
- I will assist in promotion by sharing information about the event on my social media platforms.
- The event will proceed rain or shine.

**RULES OF PLAY**

- Score is not of primary importance, it's all about sinking the putt on that 54th hole! However, there will be prizes awarded for team scores so if you wish to compete for those, please utilize the scorecard provided.
- Play extremely READY golf, but traditional course etiquette applies.
- Four-person scramble is acceptable.
- Allow only 7–10 minutes on average to complete each hole, (you should be completing 18 holes every 2 - 2 hours and 15 minutes. If you are falling behind, an event representative may ask you to speed up play or pick up and move to the next hole.
- Maximum bogey per hole.
- No lost ball penalties. Don't search for lost balls! If you don't drive right up to it, simply drop a ball within two club lengths of where the ball went Out of Bounds (OB) and play without a penalty.
- No OB penalties. If you hit a ball OB, simply drop a ball within two club lengths of where the ball went OB and play on without penalty.
- No Water Hazard Penalties. If you hit a ball in the water hazard, simply drop a ball within two club lengths of where the ball went in the hazard and play on without penalty.
- Don't pull the flag sticks.
- Any putt within a putter's length from the hole is considered “good”.
- No more than two putts per green.
